TWCC among Manitoba's 50 fastest growing companies

Winnipeg (Feb. 18, 2010) – The Board of Directors of *Tribal Wi-Chi-Way-Way Capital Corporation* is very proud to be among **MANITOBA BUSINESS Magazine's 50 Fastest Growing Companies 2010**. TWCC ranks 12th.

“This wonderful honour falls in line with our vision, mission and status of being the financial services provider of choice for First Nations in Manitoba,” Grand Chief Morris Swan-Shannacappo, Chairman of TWCC, said today. “We have come a very long way.”

TWCC was established in 1993 with a staff of three to provide financial resources to qualified Tribal Council member Aboriginal entrepreneurs and businesses in Manitoba. Since then, TWCC has provided more than \$34 million in loans supporting 45 First Nations communities in Manitoba.

Today TWCC has more than 120 employees across three separate lines of business. In addition to being a financial services provider, TWCC has two subsidiary companies – ASKI Financial, which provides personal lending products, and 4528027 Manitoba Ltd., which provides Call Centre services to Davis + Henderson in support of a government contract.

In early 2006, TWCC had just 28 employees before a growth spurt that has increased the company in size 5 times and boosted revenue by 200%.

TWCC is committed to developing our employees for sustainable success and strives for continuous improvement in all areas of its business, added Alan Park, Chief Executive Officer “We are all looking forward to a self-sufficient and sustainable Aboriginal economy and TWCC will be a prime engine of growth behind it.”

TWCC will be among the companies honoured at the 23rd Annual 50 Fastest-Growing Companies Banquet 2010 on March 18 at the Marlborough Hotel, Sky View Ballroom, 331 Smith St. in Winnipeg.
